The Official Newsletter of Society for Bright Future- New Delhi

About us

Society for Bright Future is a National NGO pioneering in disaster management that was established and registered in 2008 under the vision 2016 scheme. It is a specialized and dedicated National organization that works in the field of Emergency Relief and Rehabilitation. SBF has been striving to develop an ability to deploy emergency at a moment's notice. In the past, SBF has quickly responded to natural calamities in Bihar, Assam, Andhra Pradesh, Delhi, and Uttar Pradesh by providing First Aid supplies, shelter, blankets, water, food, and other basic survival materials. The Emergency and Relief program of SBF includes providing survival items like food, water, clothes, shelter, and medical care during emergencies. It also organizes various training programs for the volunteers and general public in order to make them prepared for disasters and cope with the same. The SBF Rehabilitation program includes the handicapped assistance program, reconstruction of the affected population and employment assistance, etc.

“

Society of Bright Future is one of the social work agencies which is working pan-India. They have done such good work during disaster also and after the disaster also they are going out of the way and helping poor people the way they are doing I pray from Allah that they should be blessed and should continue doing such a good job all the time. People like these types of society are very rare, there are people who work for themselves, but there are very few people who work for others. These are such people who work for others, therefore, I request all of you please appreciate them and try to help them as much as you can.

ACTIVITIES

WINTER RELIEF PROGRAM

In the freezing nights of December & January, when the entire Country owns their sweaters, monkey-caps, and mufflers with a hot cup of tea but there are few under-privileged who cannot afford even a blanket. So, Society for Bright Future has started a blanket distribution program. We have distributed **17,000** blankets across the Country to the needy once.

Assam - North

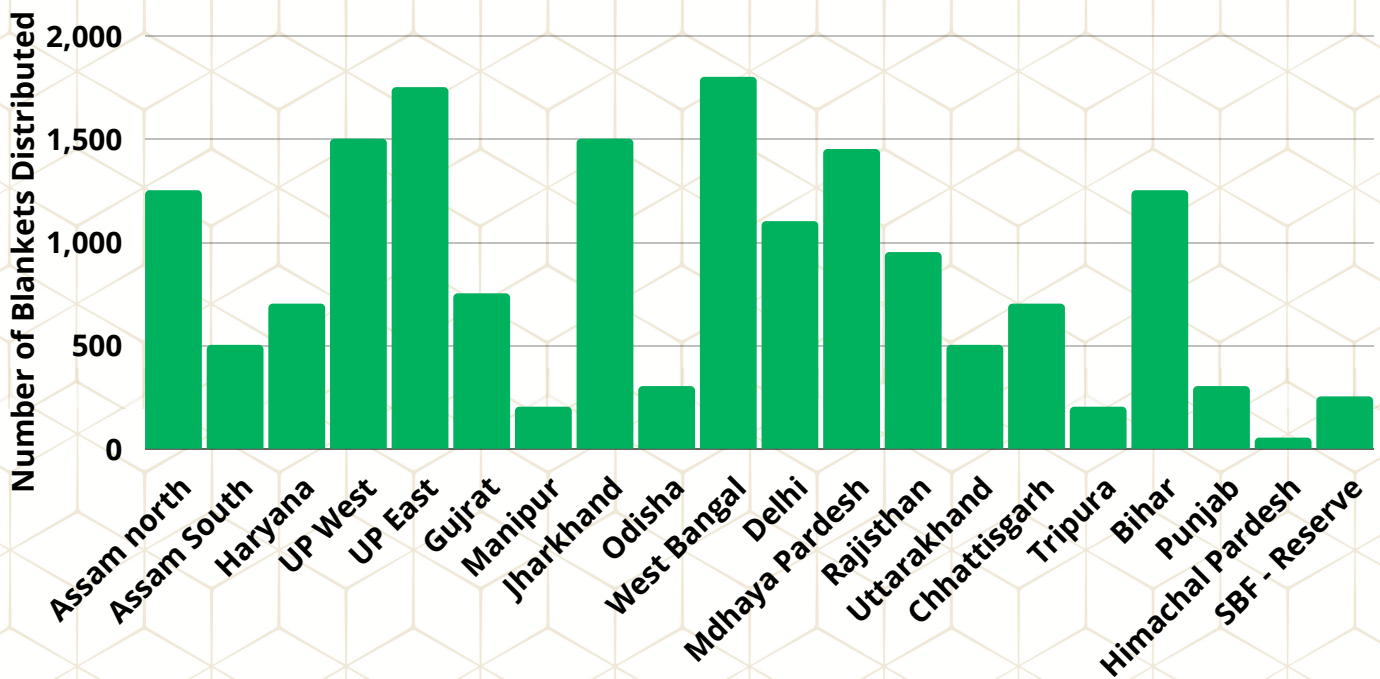

Punjab

Chhattisgarh

17,000 blankets
Distributed in 19 States

Jharkhand

Gujarat

Delhi

UP West

Haryana

West Bengal

Uttarakhand

Bihar

Madhya Pradesh

Odisha

Assam - South

TRAINING WORKSHOPS ON DISASTER MANAGEMENT

Disaster in life never knocks before the appearance, but the impact appears to be very drastic and intense over the society in various ways. Thus it is very necessary to create awareness about disaster management and tricks to tackle disastrous situations, among the students in their early age of the journey towards being a responsible citizen. So, the Society for Bright Future organized 2 Days State - Training Workshop on Disaster Management at 2 different palaces one in Kakrala, Badaun, UP West, on 13th & 14th January and the other in Gorakhpur, UP East, on 30th & 31st January. 100+ Volunteers participated in these Training workshops and also got Certificates. Mr. Suresh Kumar, Civil Defence Provided Training in both workshops.

CLOTHES COLLECTION AND DISTRIBUTION

Even though the winter is welcomed by the privileged wealthy people by colourful pashminas and festive moods, it brings a lot of suffering to the poor people of our country. Sadly, many poor people in our country cannot afford to buy warm clothes for winter. So, the Society for Bright Future– organized a Clothes Stall in Khazanchi Haat, Purniya, Bihar which was commenced on 21st January and still going on. In this SBF volunteer playing a leading role by collecting and distributing new and old clothes among the underprivileged people.

- Zulfequar Ali, State Convener, Bihar

“

I am very happy that society for bright future doing a wonderful job every year across India In fact I say pan-India whether it is Assam, West Bengal, Bihar where ever their presence is there and they are doing a lot of a good job for the society, poor and distressed people and it's my pleasure to be among them with the Young volunteers who are always present in the tuff time whether it is Lockdown, Flood, Extreme winter & Earthquake every time there presence is there. So, I request you all please try to help them as much as you can.

DISASTER READY MODEL VILLAGE (DRMV)

The flood ready model village a visit to Bandia gaon, Pub. Mangaldoi district Darrang Assam was taken place from 18th January to 23rd January 2021. A preliminary visit to Bandia Gaon, Bandia chapori, and nearby areas has taken place. The visit and the survey was observatory, the whole village was explored and collect the local history of flooding and mark the flood inundated areas. The linear pattern of settlement along the road and the wetlands was observed. The vernacular style of architecture was observed. The dwellings made up of local and temporary materials like tin, bamboo, wood, mud, etc. The dwellings are single-storied which do not share common walls with adjacent buildings. The erosion sites were visited near the Tangini River that eroded by the recent floods and loosens the embankment. The Tangini River was crossed by the boat and found the highland which was also eroded and shrinks to almost half of its actual size. The pub. Mangaldoi Jr. College where the flood relief camp organized during floods was also visited.

- Dr. Shahnawaz Khan
Research Analyst, SBF

“

Living by the famous quote "being kind to yourself and be kind to others". The journey of Society for Bright future is progressing in fulfilling its defined mission to serve humanity. SBF is playing a crucial role in society. Society needs such initiatives to full fill the commitment of managing the disaster. SBF assets are honorable and selfless volunteers across country.

Muazzam Ahmad Naik
Secretary, Society for Bright Future

UPCOMING PROJECT

"HAR KADAM SWACHTA KI OR"

SBF is going to launch a nationwide one yearlong campaign on the title of "HAR KADAM SWACHTA KI OR" None of us denies the importance of cleanliness. The Prime Minister of India launched a campaign called Swachh Bharat Abhiyan in 2014. Corporates under the aegis of Corporate Social Responsibility contributed to Swach Bharat Kosh 'as well as collaborated with non-profit organizations to expedite and expand the mission. Therefore, the SBF as an experienced grassroots organization realizes the gravity of this mission and intends to collaborate with CSR to execute a sanitation drive at 100 different locations across the country to a make responsible contribution. Therefore our objectives of this campaign are;

HIGHLIGHTS

1. To clean the hot spot of the targeted community.
2. To raise collective awareness in the community about the consequences and benefits of clean public spaces.
3. To involve the local youth and community people in the drive and create role models out of them.
4. To contribute to the goal of mission of Clean India and healthy community.
