PLANTATION PROGRAM

SBF Volunteers organizes numerous plantation drives in different locations across the country to play an essential role in making this world a better place for current and future generations. However, during the rainy season plantation campaigns went adequate all over India.

- Number of Programs: 27
- Tree Planted: 2088

KAPDA BANK Cloth Distribution Program

SBF provided clothes for underprivileged sections of society. People who are in great need of clothes were offered clothes by gathering the clothes from various sources.

These two were the places where we distributed the clothes to needy people.

Badaun, U.P West
Unhel, Madhya Pradesh

GENERAL HEALTH CAMP

It took place in Hapur & Loni, UP West where we tried to provide medicines to them and free health check-ups.

Due to changes in weather people may go through viral and other diseases. Such steps benefited the people who are in need.

180 Beneficiaries

HAR QADAM SWACHHTA KI OR | Art Competition

An **ART Competition** on Cleanliness was organized in Hapur, around 50 students of Ashok Inter College participated in the competition.

This competition was aimed to make students and kids aware of the significance of cleanliness in their lives.

CAPACITY BUILDING WORKSHOPS

Capacity building is an ongoing process that equips our volunteers to perform their functions in a better manner during a crisis/disaster. In the process of capacity building, we must include elements of human resource development, i.e., individual training, organizational development such as improving the functioning of Volunteers System.

We will give training of Resource mobilisation, Introduction of Disaster Management agencies & Volunteer ethics & responsibility. In last 3 months we organised three capacity building workshops in Patna, Bhopal and Kolkata for area core of 10 different states, 110 Area Core Conveners Trained through these Workshops.

District Training Workshop

We Organised District Training workshops in 3 Different places. In these trainings we provide consists of basic information around disaster management along with demonstration on Firefighting, First Aid & Team Building also including sessions, lectures and Prospective of Social Service in the field of humanitarian Relief all these trainings provided by disaster management experts. In last quarter we trained 140+ volunteers in 3 districts.
