MEEING WITH PROMINENT PERSONALITIES

EMERGENCY RELIEF & REHABILITATION

BUILDING COLLAPSED IN LUCKNOW

In Hazratganj, Lucknow, a four-storey residential building by the name of 'Alaya Apartment' collapsed, trapping numerous people under the debris. The Society for Bright Future (SBF) sent a team to the site to assess the situation and provide assistance and support to those affected by this tragic incident.

Irfan Ahmed, national coordinator of the Society for Bright Future, has demanded the government to give adequate compensation to the people affected by the collapse of the building, so that their economic losses can be compensated to some extent.

JOSHIMATH SINKING

Society for Bright Future sent a high-level delegation to visit all affected areas of Joshimath. They spoke with families who had lost their houses in the disaster and listened to their grievances during their visit. SBF reaffirmed its commitment to assisting disaster-affected persons during this challenging time. SBF team also gave blankets to the homeless.

TRAINING & WORKSHOP

DOMESTIC RISK MITIGATION WORKSHOP

We organized a women's workshop on "Domestic Risk Mitigation" in Delhi on March 2023. Attended by 30 enthusiastic participants, who received an informative training session on first aid, CPR, stretcher making, fire-fighting, and self-defense. The participants were also provided with insights on the importance of volunteerism and the role of volunteers in promoting social welfare and community development.

TRAINING & WORKSHOP

DISTRICT TRAINING WORKSHOPS

The Society for Bright Future (SBF) has been actively organizing training workshops on Disaster Management across various districts in India. In last three months such workshops held in Amreli & Banaskantha, Gujarat, Lucknow, Uttar Pradesh, Bhella, Assam, Hapur, Uttar Pradesh and finally, a six-day workshop organized in collaboration with NDRF in Dhubri District, in these workshops almost 140 volunteers and 1225 students trained in First Aid, Mock Drill on School Safety, Flood Rescue training, CPR, firefighting, rescue, and team building. The participants received certificates at the end of the training.

NATIONAL WORKSHOP

The annual advance training workshop of the Society for Bright Future (SBF) held in Nagpur, Maharashtra. The work was aimed to train SBF volunteers on Disaster Management and Modern Rescue Techniques. As many as 60 volunteers from 15 North Indian states were trained in First Aid, Trekking & Bouldering, Fire Fighting, Swimming Technique, Valley crossing/Zip Line and in some theoretical lecture on Psychotherapy for disaster Affected Counselling & Technique of leadership development.

The President of SBF and Retired IPS Officer Mr. M A Anarwala, Vice President of the SBF and a retired IPS Officer Mr. Abdul Jabbar, Mr. Abdul Rauf Ex Deputy Commissioner of Nagpur and many others participated into this workshop.

GENERAL HEALTH CARE CAMP

SBF organized Medical Relief Camp in Meerut, Varanasi, Jabalpur, Howrah, Uttar Pradesh and another medical relief program in Delhi In collaboration with the Dentistry Department of the Jamia Millia Islamia, New Delhi,, where 337 patients were diagnosed and treated suffering from different diseases, providing them with free medicines.

HAR QADAM SWACHHTA KI OR

In the month of February Society for Bright Future organised several awareness program of Har Qadam Swachhta ki Or at Chitarpur, Ranchi (Jharkhand), Darrang, Dhubri (Assam). In which a speech competition, art competition and wall painting competition were held on the topic of importance of cleanliness, 450 students were participated.

TRAFFIC RULES AWARENESS

The Society for Bright Future organized several Traffic Rules Awareness Programs in different regions of India to promote road safety and raise awareness about traffic rules. As such programs was held in Ranchi, Jharkhand, Nadia District & Garbeta town, West Bengal, Aurangabad, Bihar, Badaun, Uttar Pradesh, and Kamrup metro area core, Assam North.

TY PROGRAM

BLOOD DONATION CAMP

We organized blood donation camps in Howrah Districts, West Bengal and another in the collaboration of Unhel Blood Group. A total 97 unit of blood were collected by these camps.

KAPDA BANK

Cloth Distribution program was organised by SBF Shahdol, Madhya Pradesh. It is an initiative by Society for Bright Future in which 200 needy families got warm clothes in this shivering winter.

FIRE FIGHTING AWARENESS PROGRAM

We Organized 3 Fire-fighting Awareness Program at Howrah (West Bengal), Kareemganj (Assam), and Ujjain (MP). A total 350 attendees, including 11 volunteers were present in these workshops. The Aim of these workshop can be to educate individuals on fire safety measures, including prevention, preparedness, and response.

PROJECT RAHAT

"Project Rahat" successfully distributed 15114 blankets in 19 states with the help of 1213 SBF volunteers. The program aimed to combat harsh weather conditions and provide much-needed relief to those in need. The collective efforts of volunteers, partners, and donors made a meaningful impact in the lives of those affected by it.

DRMV (DISASTER READY MODEL VILLAGE)

SEWING MACHINE DISTRIBUTION PROGRAM

The event aimed to provide sewing machines to five poor women in the village who possess tailoring or sewing skills but cannot afford a sewing machine. The distribution event took place in the presence of Gram Panchayat Coordinator Safidur Rahman at the Bandia Panchayat Office. The beneficiaries expressed their gratitude and appreciation for receiving the machines, which would significantly impact their lives by enhancing their skills and enabling them to earn a livelihood and support their families. The report concludes by expressing gratitude to the donors and organizers who made the program possible and congratulating the beneficiaries.

DISASTER MANAGEMENT WORKSHOP, BANDIA

A Disaster Management Workshop was held on March, at DRMV Bandia, Darrang Assam north. The workshop aimed to educate villagers on first aid, flood rescue, disaster management, and other critical aspects. The objective was to raise awareness and promote preparedness and response in emergencies. It played a small role in helping the community become better equipped to handle disasters.

MEETING WITH MR. MAHBUBUL HOQUE, USTM

Dr. Mohammad Shahnawaz Khan, who is a Research Analyst at SBF, visited the University of Science and Technology Meghalaya (USTM) recently. During his visit, he presented a memento to Mr. Mahbubul Hoque as a token of appreciation for his tireless efforts in promoting education in the region. The purpose of visit to meet with Mr. Mahbubul Hoque and discuss the development of an academic platform focused on disaster management.

ANNUAL PR MEETS

This Annual Press Meet was called to discuss the recent disaster, as we know that India is one of the most disaster-prone countries in the world. The geographical features render it vulnerable to a number of natural hazards. Though, India has integrated administrative machinery for disaster management at National, State and District levels, however there is always a necessity of non-government organizations as a supplementary to the State relief efforts by initiating supportive actions. According to SBF President, Mr. Makbul Ahmad Anarwala, in the aftermath of the recent disaster, it's important for us to come together as a community.

"JOIN HANDS TO BRING RELIEF TO THOSE IN NEED."

Society for Bright Future (SBF) plays a key role in preventing and mitigating the risk of disasters, preparing to provide effective response during such events and rehabilitation of those impacted, to help them recover and return to their normal lives.

Kapda Bank

An initiative to provide clothes to deserving.

HOW CAN YOU BECOME A PARTNER?
