Emergency Relief & Rehabilitation

Flood Response

In October, SBF volunteers actively responded to floods in Bihar, West Bengal, and Assam (North), covering 8 districts. They rescued 5,240 people and provided relief to over 600 families, including ready-to-eat food for 250 families and medical aid for 350 families.

Fire Response

On November 19, 2024, a devastating fire broke out in the Bawana area of New Delhi, impacting numerous families. As always, the Society for a Bright Future (SBF) stood strong as first responders. On November 27, 2024, SBF, in collaboration with partner organization, distributed 1 blanket, 1 small gas cylinder, and one mattress to 210 families.

FLOOD PREPAREDNESS PROGRAM

SBF Assam North conducted a flood preparedness and disaster mitigation session in Dhubri district, engaging 105 students, teachers, and local dignitaries, fostering awareness and resilience among the community.
